## Belgrave Mela

### Review

I enjoy attending the Leicester Mala, because it has lots of activities for the whole family, which included freebies, famous acts like Juggy D and more! I also really like the friendly atmosphere.

I hate the large amount of people because, it is extremely difficult to move my manual wheelchair, and I also get lost easily because of bad sense of direction. It's also a brilliant event to bring the variety cultures within Leicestershire.

There was also some delicious food like Bhare a savoury dish, I like watching the different types of clothing because it brings the acts to life!

I like listening to the Bangra songs and liked dancing because it gets me out of the wheelchair. "I would tell everyone about the Mela because I enjoyed".
